Vitamin A, Min	6,000 IU/LB

INGREDIENTS

Grain Products, processed grain by-products, roughage products (20%), plant protein products, molasses products, calcium carbonate, salt, magnesium oxide, vitamin A supplement.

FEEDING DIRECTIONS

Weaned calves on pasture – feed free choice with good quality pasture.

Horses – Maintenance on pasture - Feed ½ to 1 pound per 100 lbs. of body weight plus good quality hay or pasture. These amounts should be fed daily in divided feedings. Bring animals on feed gradually. Rates may be adjusted according to desired body condition, activity level and forage quality.

Growing lambs & goats - feed 1 to 3 lbs. per head per day along with good quality hay or suitable pasture.

-This feed is not intended as the sole source of nutrients. Provide good quality hay or suitable pasture for all animals and the appropriate free choice mineral. Provide a plentiful source of fresh clean water at all times. Do Not Feed wet, moldy or insect infested feed.
